THE WINDS OF CHANGE ARE

BLOWING! FROM THE ONSET I INTENTLY WATCHED THE NEWS REPORTING OF THE PASSING OF FORMER PRESIDENT GEORGE H. W. BUSH.

The Washington memorial service was a witness to the world with the message of Jesus Christ and Him crucified to be the Savior of all mankind. It was phenomenal. The media projected a different personality than what existed when Bush was on the Washington scenes. A lot of Bush's actions were omitted that brought unpleasant circumstances in this nation and Israel.

I have reported on the Bush/Muslim connections in years past, plus other things that won't be mentioned today. The Lord has used the death of this man to unite us as nothing up to this point, has. We prove to be a civilized nation, UNDER GOD! The revisionist propaganda of the media promoting him as a means to degrade our duly elected President did not go un noticed. They were bragging about what the Bush family had done for America. My immediate response was; **LOOK AT WHAT AMERICA HAS DONE FOR THE BUSH FAMILY.....ALL OF THEM!** The public servanthood of all the former presidents has profited them to multi millionaires plus million dollar annual budgets for personal, travel, secret service for life for them and their spouses, and maintenance

of presidential libraries. The only one president among them that has not profited is President Trump. He refused to take a salary. (First Lady is wealthy in her own right. She doesn't have to make speeches or sell the US influence for favors. She does America proud and it is time to get this message to the mobs of nasty women attacking her.)

The Bush family is a perfect example that Biblical values work! They are the opposite of what Hillary, Bill, the Obamas, democrats and liberal republicans promote as America's values and fund with tax dollars to force on us. Think about it! What a blessing it was to watch the Clintons, and the Obamas sit in the presence of a risen Savior's outpouring of the Holy Spirit with the reading of the Word of God and songs of celebration in the name of Jesus. No mixed messages.

Islamism, socialism/Communism and GLOBALISM. Pres. Bush was the founder of the One World Order, breathed life in the League of Nations and United Nations. He was the forerunner of organizing Globalism. He was trained at Yale by godless and anti American professors. (We need to get Founders Bibles to Yale students). I believe his family roots did not allow him to blaspheme God even though he bonded with Mid East Muslims and gave them major control of our oil imports at the price of America's oil wells becoming desolate, even in his own state of Texas.

We prayed against this move by our politicians to subject our sovereignty, security, and freedom to a corrupt body of foreigners operating under the banner and flag of the United Nations. Bush and friends were not able to succeed in their attempt to demote America to third world country states via UN. Praise God! Only a few of us stayed on the Wall and front lines of this attempted take over of our U.S Constitution and sovereignty, freedom and national security globalist elites being elected to office right out of liberal colleges. The Lord revealed to me today the spirit of John McCain was broken over this nation and his mean, manipulating, divisive spirit was sent back to his tomb and would not rise again. President G W Bush and Laura had never met President Trump until yesterday. The Bush dynasty has more in common with Bill and Hillary and the Obamas politically but spiritually their foundation is with President Trump and Melania. What a shame? God is going to bond 43 and Trump and is going to wake up Jeb to facts and they will soon walk in unity against the Liberals. Won't that be great? **OUR PRAYERS ARE PENETRATING THE DARKNESS....WE NEED TO SEE GOD'S HAND MOVING AS HE PROMISED.**

Our vision and mission is before us. God is revealing His Will. Read on and see where we are coming from and where we are going to! Judgement is falling on our nation. The warnings were not heeded. The way of escape is also noted. The revival we prayed for is also at the door. We will launch it with distribution of God's Word.

1. **David Wilkerson Warns America**

Wilkerson started out as a Pentecostal preacher in

rural Pennsylvania.

We are facing a moral landslide...Satan is going to open the floodgates of Hell and seek to baptize the world in erotic filth, smut and sensuality. **Wilkerson declared that "students will be told that homosexual love is normal."**

In recent years several school systems all over the nation have incorporated teaching units designed to portray homosexuality as normal — even at the elementary school level. This effort has even infiltrated books and magazines aimed at children. A good example is a recent Archie comic book that featured a same-sex marriage on its cover!

Again, keep in mind that Wilkerson wrote about his vision in 1973, and the book was published in 1974. Continuing with his focus on homosexuality, he asserted: **"The homosexual community will become so militant and brazen that they will."** In the Church world, Wilkerson predicted that **"homosexuals and lesbians will be ordained and given places of authority."** The Episcopal Church elected its first homosexual bishop in 2003, and since that time, many of the mainline denominations have sanctioned the ordination of practicing homosexuals. Commenting further on the Church, Wilkerson asserted Wilkerson's fourth category was "Problems with Youth." Since this had always been the focus of his ministry, he had more predictions in this category than any other. To summarize:

1. He said he saw youth hating their parents and rebelling against them, even to the point of betraying their parents.²⁸
2. He saw them enslaved to alcohol and drugs and predicted the legalization of Marijuana.²⁹
3. All of which would be magnified by an astronomical divorce rate.³⁰ Wilkerson's fifth and last category of prophecies contained in his vision was what he called "Persecution Madness." He predicted the growing persecution of Christian believers:

**WATCH FAYE ON

I see an hour of persecution coming such as mankind has never before witnessed. This will be a persecution of true Jesus believers that will soon arise like a many-headed monster out of the sea. In the last ten years in our nation, Christianity and Christians have become the object of ridicule, defamation, harassment and outright persecution. For shocking evidence of how far and how fast this trend has developed, take a look at these books:

1. God Less America: Real Stories From the Front Lines of the Attack on Traditional Values by Todd Starnes (2014).
2. I Never Thought I'd See the Day!: Culture at the Crossroads by David Jeremiah (2011).
3. When a Nation Forgets God: 7 Lessons We Must Learn from Nazi Germany by Erwin Lutzer (2010).

Wilkerson even predicted that Christian harassment would become official government policy: An antichrist spirit will enter the hearts of certain men in high places in government and in the judicial system, causing these officials to engage in legal maneuvers designed to harass independent churches, missionaries and ministers. 32 We can see this antichrist spirit operating at all governmental levels today. Wilkerson stated that the entertainment industry would focus on demeaning portrayals of Christians and Christianity and would blaspheme all that is sacred: "TV comedy shows will become bolder and bolder in poking fun at Christ and true Christians... Television programming will become absolutely blasphemous..."

33 Need I bother to say this has been fulfilled? The Radically New America The America of today is radically different, and the changes have taken place with startling rapidity. Incredibly, in just over 50 years since the decade of the 1960s, we have become a nation in full-blown, open rebellion against God. Today: **We worship the Almighty Dollar. Greed has become our national motivator. Sex is our obsession. Gambling is our national past time.**

1. We are the world's largest consumer of illegal drugs.
2. We have banned God from our schools.
3. We have declared God off limits in the public arena.
4. We are teaching our children the fantasy of evolution.
5. We are slaughtering babies in the name of "freedom of choice" for women.
6. We have glamorized homosexuality.

7. We have legalized same-sex marriage.
8. We are in the process of legalizing marijuana.
9. And we have become the moral polluter of planet earth with our violent, immoral and blasphemous movies and TV programs.

In summary, we are a nation that has rejected its Christian heritage and has replaced that precious heritage with a crude, paganized culture. We are a rebellious nation that is thumbing its nose at the Creator God who showered us with unparalleled blessings for over 300 years. Here's how I summarized it in the new 2nd edition of my book, Living for Christ in the End Times: Coping with Anarchy and Apostasy: 1

We have expelled God from the life of our society, and the result is an avalanche of wanton violence and immorality. We have lost our moral compass, and we are raising a generation of moral pygmies. The same is true of the raging apostasy within the Church. The term, Evangelical, has lost its meaning, as some who claim to be Evangelicals are proclaiming that there are many roads to Heaven and there is no Hell. A Second Reformation is going on in the Church today, but unlike the first, which was based on a call to return to the Bible, this new reformation is calling people to jettison the Bible in behalf of their own feelings and beliefs.

As the Church grows increasingly weak from its internal rot, society continues to plunge into darkness.

I would therefore assert without hesitation that we are a nation begging for destruction. How God Deals With Rebellious Nations I say that because the Bible clearly reveals that God has a definite way of dealing with rebellious nations.2 First, He calls them to repentance through prophetic voices. And if the people refuse to respond in repentance, then God will send remedial judgments.

If the rebellion persists, there comes a point of no return when God will deliver the nation from judgment to destruction.

Romans 1:18ff

18) For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth in unrighteousness,
19) because that which is known about God is evident within them; for God made it evident to them.
20) For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse.

Now, what do these verses say? They are saying that the wrath of God is reserved for any nation that rejects God in attitude and actions and suppresses the truth about Him. And they further say that there is no excuse for denying the existence of God because God has given to each person an innate knowledge of His existence and has made that existence apparent to them in His Creation.

“The Church has sought popular approval, and in the process, it has gotten in bed with the world.”

40-Year-Old David Wilkerson Prophecy Being Fulfilled Right in Front of Our Eyes

4/4/2016 MICHAEL SNYDER

David Wilkerson was a legendary preacher who truly did hear from God, and a remarkable prophecy that he gave about 40 years ago is coming to pass right now.

In his vision, Wilkerson saw the rise of two “super churches” in the last days. The first “super church” would be deeply apostate, and it would include both Protestants and Catholics. It would prominently use the name of Jesus Christ, but it would be “antichrist and political in many of its activities.”

I see the rise of a super world church. I see the formation of a super world church council consisting of a union between liberal, ecumenical Protestants and the Roman Catholic Church joining politically

hand-in-hand to create one of the most powerful religious forces on earth. This union is going to start as a cooperative charity program and it will end in a political union. This visible super world church is going to be spiritual in name only, freely using the name of Jesus Christ, but will in fact be antichrist and political in many of its activities. This powerful church union will be deeply involved in social action, tremendous charity programs, and ministries of compassion. Its leaders will make statements about meeting human needs. They will send out a call for social action, political intervention and a greater voice in world affairs. There is going to be a sudden mysterious chain of events. Just when it appears the ecumenical movement is nearly dead, a rather mysterious chain of events will bring about the framework for this union. Rome is going to insist on and receive concessions from the Protestant ecumenical leaders. The Pope will be considered more of a political than a spiritual leader of this church union.

And this is definitely what we are seeing today. The vast majority of the churches in the Western world have already gone apostate, and we are seeing a major push for churches and religious organizations to work together to achieve political and social goals. I believe that we are witnessing the early stages of the emergence of a one world religion. The pope and other prominent religious leaders are speaking of the need to “come together” and to acknowledge that “all religions are different paths to the same God.” Unity has become a major theme, and the pope in particular has been making a major ecumenical push. I see the rise of a super church, a supernatural invisible church, a union of deeply spiritual followers of Jesus Christ, bound together through the Holy Spirit and mutual confidence in Christ and in his word. This supernatural church of true believers will become a kind of underground church. It will include Catholics and Protestants of all denominations, young and old, black and white, and people of all nations.

While this visible super church gains political power this invisible body of believers will grow tremendously in spiritual power. This power will come from persecution. The persecution madness that is coming upon this earth will drive these Christians closer together and closer to Jesus Christ. They will

be less concerned about denominational ties and more concerned and emphasis on the coming of Jesus Christ. The Holy Spirit will bring together as one people in all walks of life. Without even knowing it, I have been preaching virtually the exact same message for the past couple of years. God burned this message into my heart, and even though I wasn't sure that people were ready to receive it, I have been preaching this message wherever I go.

God is raising up a Remnant in these last days, and this Remnant is going to shake the world. This Remnant is going to keep the commandments of God, it is going to bring in the greatest harvest of souls the world has ever seen, and it is going to move in the power of the Holy Spirit like we haven't seen since the Book of Acts. It cuts across all churches and all denominations, and there is no individual or organization in charge of it. It is an organic move of God that is happening all over the planet, A sleeping giant is rising, and it is primarily happening outside of the institutional church. In fact, the institutional church is in danger of being completely left behind by this new move of God. I know that a lot of church leaders out there are not going to want to hear this, but it is true. Most of the institutional church has already gone apostate, and much of the rest of it is dead asleep. So a lot of churches have adopted a "me-centered gospel" that features Jesus as a self-help coach. They purposely avoid using words like "sin" because they don't ever want anyone to feel uncomfortable, and they only focus on select passages from the Bible that make people feel good.

Of course this watered-down gospel has turned out horribly for the church in America. People are leaving our dead churches in droves, and this is especially true of. If you go into most churches today, you will mostly find "the grays," and I am not talking about aliens. I love my elderly friends, but where are all of the young people? Yes, there are a few of them around, but a whole host of surveys have shown that young adults in America are generally far, far less "Christian" than their parents were. But that doesn't mean that all is lost. There is tremendous spiritual hunger out there, and people are searching for something real. We are seeing believers all over

America gather in home Bible studies and home churches, and the underground church that David Wilkerson prophesied is very much becoming a reality.

EMAIL FROM B. Arnold, MESSAGE FROM FRANKLIN GRAHAM JACKSONVILLE FLA. FIRST BAPTIST CHURCH AFTER ELECTION.

Time is like a river. You cannot touch the water twice, because the flow that has passed will never pass again. Franklin Graham was speaking at the First Baptist Church in Jacksonville, Florida, when he said America will not come back. He wrote: "The American dream ended on November 6th, 2012. The second term of Barack Obama has been the final nail in the coffin for the legacy of the white Christian males who discovered, explored, pioneered, settled and developed the greatest republic in the history of mankind.

A coalition of blacks, Latinos, feminists, gays, government workers, union members, environmental extremists, the media, Hollywood, uninformed young people, the "forever needy," the chronically unemployed, illegal aliens and other "fellow travelers" have ended Norman Rockwell's America.

You will never again out-vote these people. It will take individual acts of defiance and massive displays of civil disobedience to get back the rights we have allowed them to take away. It will take zealots, not moderates and shy, not reach-across-the-aisle RINOs to right this ship and restore our beloved country to its former status.

People like me are completely politically irrelevant, and I will probably never again be able to legally comment on or concern myself with the aforementioned coalition which has surrendered our culture, our heritage and our traditions without a shot being fired. The Cocker spaniel is off the front

Psalm 83

Prayer for Judgement on America's Foes A Song. A Psalm of Asaph.

1. O God, do not keep silence do not hold your peace or be still, O God!
2. Even now your enemies are in tumult; those who hate you have raised their heads.
3. They lay crafty plans against your people; they consult together against those you protect.
4. They say, 'Come, let us wipe them out as a nation; let the name of Israel be remembered no more.'
5. They conspire with one accord; against you they make a covenant—
6. the tents of Edom and the Ishmaelites, Moab and the Hagrites,
7. Gebal and Ammon and Amalek, Philistia with the inhabitants of Tyre;
8. Assyria also has joined them; they are the strong arm of the children of Lot.Selah
9. Do to them as you did to Midian, as to Sisera and Jabin at the Wadi Kishon,
10. who were destroyed at En-dor, who became dung for the ground.
11. Make their nobles like Oreb and Zeeb, all their princes like Zebah and Zalmunna, who said, 'Let us take the pastures of God for our own possession.'
12. O my God, make them like whirling dust,[a] like chaff before the wind.
13. As fire consumes the forest, as the flame sets the mountains ablaze,
14. so pursue them with your tempestVand terrify them with your hurricane.
15. Fill their faces with shame, so that they may seek your name, O LORD. Let them be put to shame and dismayed for ever; let them perish in disgrace.
16. Let them know that you alone whose name is the LORD, are the Most High over all the earth.
