### CONFRONTING CHRISITIAN'S COP OUT, "I am not political."

Nothing could be further from the truth. This Faye's Facts will give you the facts. Pay attention and share with friends.

I was reading Dr. Billye Brim's book, "First of All & The Awakenings." The strangest thing happened. In October while in Branson setting up our Conference for August 8 – 11, 2018, Mary Ellen and I went to Prayer Mountain in the Ozarks to Billye's Sunday Service.

Billye has always been an example to me and the anointing was in her meeting. It was an awesome opportunity to meet and talk to her personally. I hope she will be with us in August, if God wills. I did not buy anything while there and was handed a flyer on her ministry and guarded it when packing. Last week out of no where her book appeared on my desk with "the to be done" paperwork. It is so much like what we are doing it was surprising to me.

**This is what she wrote: pg. 7**

**PRAY IN AN AWAKENING.** That is exactly what God spoke to me last year. *Timothy 2: 1-5 I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men;*

*2. For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty.*

*3. For this is good and acceptable in the sight of God our Saviour;*

*4. Who will have all men to be saved, and to come unto the knowledge of the truth. 5For there is one God, and one mediator between God and men, the Commander Christ Jesus;*

*5. I will therefore that men pray every where, lifting up holy hands, without wrath and doubting.*

**VISION OF DR. KEN HAGIN** (God's Voice was the same as what He spoke/is speaking to me. Intercessors with Insight are right on target!)

**Quote:** *"Dr. Kenneth Hagin, whose books and publications I edited from 1970-1980, was granted a vision in which he saw three demonic frog-like creatures rise out of the waters of the Atlantic Ocean off of*

*Florida. They hopped along the eastern seaboard and landed in Washington, D.C. He was made to know their satanic intent was to harm this nation."*

He was shown, however, that this evil plan could be stopped by the prayers of the people of God. He was instructed to come back to Tulsa to start a regular prayer meeting to stop that strategy of the enemy. He initiated a daily prayer group, which stayed focused for a while, but let up on its intended purpose.

When the Watergate scandal with all its complexities and cover ups caused great hurt to the nation, the Lord told Brother Hagin this was what had been revealed to him in the vision.

Then he was told something to this effect, I'm not going to hold Richard Nixon primarily responsible for this, I'm not going to hold the Republican Party primarily responsible for this, I'm going to hold you primarily responsible for this. For I revealed to you and the church could have stopped it. Whatever happens in this nation happens because the church allows it to happen.

I heard Brother Hagin say this was one of the hardest things he ever had to pray and receive forgiveness for. But he did !

FIRST OF ALL - Mobilization

Considering all of this I realize that the success of President Trump's Administration, or any future administration, falls primarily upon the shoulders of the Body of Christ.

It came to my mind and I knew it was of the Lord, to initiate a campaign. Not a political campaign. But a spiritual campaign. A prayer campaign. **A FIRST OF ALL Campaign.**

**FIRST OF ALL** A campaign which calls upon believers to commit to pray FIRST OF ALL for our leaders just as our Lord instructs in His Word.

**FIRST OF ALL** before we pray for our families, before we pray for ourselves, before we pray for the lost, before we pray for our jobs or businesses, our finances, our ministries, before we pray for anything, we are instructed to pray for our leaders, for kings (today it's usually presidents, prime ministers, etc.) and those in authority. (this includes local, state, federal, principals, teachers, professors, university officers)

**Below look at description of spiritual war we are in: Beware the Useful Idiots** by Garret Geer

Recall that Hillary did her college thesis on his writings and Obama writes about him in his books.

Saul Alinsky died about 43 years ago, but his writings influenced those in political control of our nation today. Books: Rules for Radicals, Reveille for Radicals This stuff is happening today in the U.S. All eight rules are currently in play.

**How to create a social state by Saul Alinsky:**

There are eight levels of control that must be obtained before you are able to create a social state. The first is the most important.

- 1) **Healthcare** – Control healthcare and you control the people.
- 2) **Poverty** – Increase the Poverty level as high as possible; poor people are easier to control and will not fight back if you are providing everything for them to live.
- 3) **Debt** – Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty.
- 4) **Gun Control**– Remove the ability to defend themselves from the government. That way you are able to create a police state.
- 5) **Welfare** – Take control of every aspect of their lives (Food, Housing, and Income).
- 6) **Education** – Take control of what people read and listen to – take control of what

children learn in school.

7) **Religion** – Remove the belief in the God from the government and schools.

8) **Class Warfare** – Divide the people into the wealthy and the poor. This will cause more discontent, and it will be easier to take (tax) the wealthy with the support of the poor.

Does any of this sound like what is happening to the United States? Alinsky merely simplified Vladimir Lenin’s original scheme for world conquest by communism, under Russian rule. Stalin described his converts as “Useful Idiots.” The Useful Idiots have destroyed every nation in which they have seized power and control. It is presently happening at an alarming rate in the U.S. “It is difficult to free fools from the chains they revere.”

**Five Consequences for a Nation that Rejects God**

**THE ROMAN ROAD TO WRATH**

Ideas, and the actions they product, have consequences, and the Bible is very specific about what a nation will reap when it rejects God. Lawlessness and disorder have their roots in our continually snubbing the God of the Bible.

Chapter 1 of the book of Romans in the Bible delineates five specific national consequences for denying God. Paul’s warnings written here

in this passage as given to him by God are so explicit and frightening relevant to what is happening in America today.

1. The nation that continually rejects God becomes a nation of fools. Rom. 1:21-22 Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools. Men will go to all kinds of extremes in order to justify their sin and false beliefs about God. Situational ethics, moral relativism, and postmodernism are all methods used to justify rebellion against the character and nature of God.
2. The nation that continually rejects God accepts pagan spirituality. Rom. 1:25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. Pagan spirituality centers on the worship of nature and the planet Earth, yet its ultimate goal is to sidestep feeling guilt, for anything. Our world has moved from theism to atheism to pantheism.
3. The nation that continually rejects God accepts homosexuality as normal. Rom. 1:26-27 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. Acceptance of the

homosexual lifestyle as “normal” is pushed as a priority during the past several years as evidenced in our nation’s schools, television programs, movies, music, and even in some churches.

4. The nation that continually rejects God becomes debased and violent. Rom. 1:28-31 And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:
5. The nation that continually rejects God produces judicial, legislative and executive branches of government that approve of and encourage immorality and corruption. Rom. 1:32 Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

My point is outlining these five indications of national moral failure is not that I want God to judge our nation. I fear His wrath too much for that. However, there is hope in knowing that a just judge is in charge and that He will not wink at sin. He holds everyone accountable which means that all have the potential to repent. We can pray God’s judgment will cause people to turn from their sins and trust in Jesus Christ. We can also pray that His call

to accountability will purify the church and ultimately take our country on a new road to God's glory and honor. Excerpted from a longer article written by Brannon S. Howse and published in WorldViewTimes.

## ANSWERED PRAYERS

Last week I wrote our mission and it is so on target with the vision of Dr. Hagin and Dr. Bilye Brime. God is with us!

We need to thank God for His direct answers to our prayers. So many times people have tried to get me to open our prayer meetings to others prayer request including nations. I would not. *"We must stay focused!"* and keep our intended purpose", was always my reply. We protect all confidential information on partners and will not allow it to be used for anything but its intended purpose. It is the same after more than a dozen years of its founding.

**Praise God for your faithfulness and dedication.**

### Word of the Lord:

Wake Up! A Word by Sherry Evans

We encourage you to forward these emails to your friends and family. Let them know they can subscribe to the free Spirit Fuel email list for prophetic words and encouragement at this link below

Quite unexpectedly today, while I was busy doing some tasks, I heard the Lord say, "Tell them that it is time to WAKE UP!" There was an insistence in His tone that spoke of deep concern. His thoughts unfolded in my mind quickly. People sleep too much in the natural for various reasons. Some people sleep too much because they are tired. Some of that could be physical, but much of it is emotional. The same is true in the spiritual.

Some people sleep too much because they are depressed or so anxious that they don't want to get out of bed. The same is true in the spiritual. Some people sleep too much because they are comfortable. The same is true in the spiritual.

Some people sleep too much because they see little else to do with their lives. The same is true in the spiritual.

However, the Word says in Romans 13:11, 12 "And that, knowing the time, that now it is high time to AWAKE OUT OF SLEEP: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armor of light."

We need to wake up, rise up, and put on our weapons of light! We need to get on with the assignments that the Lord has given us! The Lord spoke to me several compelling truths that will motivate us to WAKE UP!

1. It is a strategic time in history. There is a battle for the souls of men that is intensifying, and God is raising up a powerful army. It is no longer about a few generals, but it is about a whole generation of fire-starters, miracle-workers, and love-carriers. Don't miss this time in history! It is your season!

2. You were born for this! As a son and daughter of the most high God, you have been sent into the world as His ambassador, representing Him in all you do.

3. You are needed. Every part of the body is extremely important. God did not make a mistake in how He made you. If you are absent, something will be missing.

4. You have the power of the Holy Spirit inside of you. One of the tragedies of life is when a person wastes their potential. What greater potential could you have than the potential of the One who is inside of you? YOU can make a difference in a person's eternity through sharing the gospel. YOU can see a dying person healed. YOU can see an emotionally bound person set free. YOU can start a fire through your mighty works in a city. Don't waste it!

5. We have the final victory. The good news is that our great Father, Commander, and Friend ALWAYS leads us to triumph. You are on the winning side, my friend!

5. He is the Healer of every wound. You may feel tired by life's stresses, or you may have been wounded in the battle. Yet, Jesus said, "Take My yoke upon you, and learn of me; for I am meek and lowly in heart, and you will find REST for your souls." (Matthew 11:29) Don't try to carry it all by yourself. Join your life with Jesus' life. Lean into Him and depend on Him.

Some may need to spend much time with the Lord to see healing come. Some who have isolated themselves may need to join with the body of Christ to see healing come. ALL need to forgive and move on. After all, there are people who need what we carry.

SO, then, **WAKE UP!** Wake up to Who our mighty God is! He will not be defeated! Wake up to who you are as His son and daughter. Wake up to the needs around you. Wake up to the potential within you. **The time is NOW!**

### How and why should we pray for our

**leaders? Question:** "How and why should we pray for our leaders?"

Paul wrote in 1 Timothy 2:1–4, "I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people—for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God

our Savior, who wants all people to be saved and to come to a knowledge of the truth.” God told the Israelites in exile to pray for Babylon: “Seek the peace and prosperity of the city to which I have carried you into exile. Prayer is important. And it seems the Bible makes special mention of praying for those in positions of authority. Such authorities include government officials (international, national, and local) and pastors, church elders, school boards, school principals, employers, and the like.

We do not pray for our leaders simply because we are commanded to. Praying for them makes practical sense. Our leaders can affect the conditions we live in and have an impact on our families, our churches, our workplaces, our cities, and our countries. When those in authority are obeying the will of God, it is easier to “live peaceful and quiet lives in all godliness and holiness” (1 Timothy 2:2). When evil men are in authority, our prayers for them are just as needed, as illustrated by William Tyndale’s last words as he was being burned at the stake: “Lord, open the King of England’s eyes.”

Also, we do not pray for our leaders merely for our own benefit.

So how should we pray for our leaders? First, if we are uncertain that they know Jesus, we should pray for their salvation. But whether or not our leaders are Christians, we should pray that God will guide them as they guide us. We should pray that they be wise and discerning and surrounded by helpful advisors. We know that God has placed our leaders in authority over us (Romans 13:1), and we can ask Him to use them as He will. We should also pray for their protection. When praying for pastors

or ministry leaders, we can pray for them to have strength in the midst of spiritual warfare and to remain encouraged in the Lord. We can pray for their families, who often feel scrutinized and bear an extra load.

Briefly stated, we should mention our leaders before God in prayer and ask Him to have His way in their hearts, to support those around them, and to use their leadership to benefit their followers.

## PRAYER POINTS

God’s plans are sealed in heaven regarding this shift in governmental authority, and I take a stand with all the saints and agree that God’s word and promises are secure. Father we avert the enemies intrusion into this process by the power of our agreement in prayer. Father we evict the collective mindset in this land built against the Kingdom of God and Your righteousness, and we evict it by our collective unity in prayer. We have been given the authority and access to occupy this territory by God’s command, and that is enough to bring the divine protection needed. Lord release your angels of protection over your warring saints! Father we decree justice, arrests, indictments and convictions of the evil doers who have committed treason and every sort evil against America, the people of God and other nations, especially Israel! We rise up in faith and agree in prayer that the enemy is bound and that the Word of the Lord stands over this nation and will not be revoked. I stand in the truth of God’s victory and that America will fulfill her destiny as a and a disciple of sheep nations in these

end times! Satan is an illegal squatter, and it is God Who has given us the authority to speak peace to the land and to this process of governmental shift in order to accomplish Gods will. I stand in the confidence of a good Father whose pleasure it is for us to enter this new season. It is His joy for us to take down the giants in the land and take our place as His sons and daughters. Father may Your sons and daughters truly become the MATURE sons You have called us to be as we do Your will by exercising our authority that You have given us through Christ Jesus. Lord strengthen us for this journey and teach us how to rest and war in order to avert the device of satan to wear out the saints! We
