Intercessors with Insight had another powerful, emergency prayer call Wednesday, April 22 to intercede for the fall of American oil that came without warning to bring our nation to a third world status. NM Mexico, Michigan and CA governors rejoiced with democrats as this is what they promised us for two years. It took

Communist China working with the media and Communist lawmakers to bring it to pass. While the plague closed down the USA corrupt lawmakers take a five week full paid, and benefits vacation. They refused to do their job and did not oversee the \$800 million tax dollars given to the traitor organization WHO. The US CONGRES SHOULD BE FIRED FOR INCOMPETENCE AND WORKING IN COLLUSION WITH THE COMMUNIST CHINA COVERUP OF THE PLAGUE THAT HAS COST AMERICA TRILLIONS NOT TO MENTION LIVES. They use investigations of our President to distract from their real agenda. Christians.

## Costs, Priority Is “Wokeness”

Posted By Ian Schwartz On Date March 13, 2020

In a monologue Thursday night, Tucker Carlson said the media is using Chinese talking points not to point to China as the originator of the COVID-19 virus. Carlson denounced reporters like “poisonous moron” Jim Acosta, who called it xenophobic for President Trump to state that COVID-19 came from China, for using Chinese Communist Party talking points.

“Even when China blaming us for a plague they unleashed, even with the Chinese government threatened to murder our citizens by cutting off drugs, our media continued to take their side,” Carlson said.

“Amazingly though it was just two months, and we keep track, that Acosta was sending tweets himself about the ‘Wuhan coronavirus.’ He hadn’t yet received his orders from Jeff Zucker which receives his from China, so that was okay. But now, the word is out, must protect China at all costs,” Carlson argued.

“Just to be clear, describing a virus from Wuhan as the Wuhan virus is not xenophobia, it’s accuracy and anyone who says otherwise is lying and probably for a reason,” he said. “In any crisis, our government’s chief obligation is to the lives of our country’s citizens. It’s not to other countries, it’s not to the GDP, it’s certainly not to the Communist Party of China. But for our ruling class, the highest priority of all is now and always wokeness. That, and approval from Beijing.”

But they are not the only people who lie. As the death toll rises, it’s important to never forget how we got here: This pandemic came out of China. It came out of China for a reason. It is a country with poor health practices, it is a country

where government officials deliberately covered up the early stages of the virus, when it could have been stopped before it spread out of control.

In fact, the outbreak may have begun not in a public meat market but in a poorly run Chinese laboratory. “The killer coronavirus probably originated in a laboratory in Wuhan.”

Now we have no idea if that is actually true, but again those were Chinese researchers making an evidence-based argument about the origin of this virus. That paper has since been taken down, no explanation has been offered for that you can guess. Instead, China, the same country that controls 96% of anti-biotics in this nation, the same nation that has been wanting to cut off drug exports to the U.S. to kill Americans is now trying to hide the reality of where the coronavirus came from. In fact, they are doing worse than that.

Zhao was evolved since then. Today, on Twitter, Zhao accused America of c the virreatingus. Quote, “When did patient zero begin in U.S.? How many people are infected? What are the names of the hospitals? It might be U.S. army who brought the epidemic to Wuhan. Be transparent! Make public your data! U.S. owes us an explanation!” So it’s our fault. Just to be clear, describing a virus from Wuhan as the Wuhan virus is not xenophobia, it’s accuracy and anyone who says otherwise is lying and probably for a reason.

In any crisis, our government’s chief obligation

Stocks tank as oil falls below zero for first time ever 2020-04-20 Source: WashingtonGuardian by: Jonathan Garber Email : Mary Ellen

April 20 -- Please Pray about this for all of us involved: "Stocks tank as oil falls below zero for first time ever"!

Read the first article below and please pray for the personal impact and the nationwide impact of what has happened to USA Oil & Gas, especially in our Permian Basin -- as of TODAY!! This is devastating news to all of us personally who depend on this precious and vital resource for our own income from direct payments from the oil companies and in our investments to see us through for the rest of our lives! Devastation not only for us and our families, but the ripple effect will affect every one in our nation, including ministries of the Lord, and could bring down our

nation!! Read this and try to comprehend the price per barrel is way below zero now for the first time in the history of the world!! And this has happened in just one month!! PLEASE PRAY for this to be reversed before we are completely devastated!! Thank you!!

Another sign of this devastation is right out at our Roswell Air Center -- formerly Walker Air Force Base, the largest SAC (strategic air command) base in the world! We still have the longest runways in the world and serve countless airlines and the military for their pilot training programs. We also store and accept major huge planes that have completed their flying lives (and they are parked all over our former air force base by the hundreds) while they are taken apart for their parts that can be used on other planes needing those parts. (Yes, we are a cemetery for hundreds of beautiful planes that come to us from all over the world and our many American airlines!) But, ever since the coronavirus pandemic has hit, almost 500 (to date) planes have come here from our major airlines to be stored and cared for while they are not needed -- waiting to return to their flight schedules someday when people can once again fly and use them. These are active planes needing to be stored from American, United, Frontier, and many other airlines that

have no need for these planes right now. It is truly amazing to see all these beautiful planes (between 800 and 900 - with both the active and retired planes) parked out at our former air force base (which we lost in 1967 due to voting Republican too many times!!). Dear Lord, we need you to intervene in this UNBELIEVABLE situation -- in addition to the horrible virus-induced nightmare we are in!! Thanks for joining in prayer about this horrible situation made up of sickness, death, and financial devastation!! God bless each one of you -- stay well!!

Written by Bill O'Reilly China's Bio weapon, and Pelosi..

My wife Angie will tell you that I study history and world events fluently every day. I have studied China for many years. To get answers I need to questions, I call many I know in Washington on Capitol Hill (from my tenure on two Presidential campaigns and Presidential talks) and I ask them for straight up answers to better understand what affects us as a nation.

Well, in 2016 America elected a new Sheriff: Donald J Trump. For decades the Chinese walked all over America but the new President said "not anymore". Trump literally strangled China's economy to the point their economy was in its worst free fall ever. Trump negotiated a new 50 billion trade agreement. He had Xi by the proverbial balls. America's economy was on fire and unstoppable. President Xi Jinping knew he could not beat the USA militarily and he knew any domesticated economic attack would fail as our economy was too strong. He had to act. But how?

Enter the USA democrats led by Pelosi and Schiff. Impeachment. A hoax. A distraction for our people and President. Xi Jinping and his thugs see this. They aren't stupid. They have very intelligent intellectual thinkers in their

government. Now you must understand, the Chinese regime are truly Barbarians. Notice I did not say ALL CHINESE. The Chinese people are a good people. I enjoy my interactions with them. The communist regime has millions of its own citizens slaving in gulags simply for speaking against the government or openly practicing Christianity. Knowing they could not attack us openly they needed to be coy, like a deceptive fox. In my opinion, I believe the regime released a biological weapon upon the world that doesn't kill everyone, but kills "enough," especially the elderly and in-firmed. Back in WW 2 Hitler thought the same way. He got rid of what he considered the useless and rejects of society. Trumps task force uses models to figure things. Xi used and uses "models" too. China's president figured that if he killed a few of his own (a few hundred thousand to them would be a few out of 1.4 billion people) and spread the virus to other nations (especially to the USA) they would "level the economic playing field" and not have fired a shot.

Losses of his own people were acceptable costs of a new war. When China's own doctors attempted to sound the warning, they were immediately silenced. In fact one died and another has simply disappeared. Trump and the other allied leaders indeed KNOW this is what happened. They have under reported their own deaths. Trump knows he cannot outrightly seek retribution. His news conference today showed me this when he balked publicly about no outright retribution over Xi's handling of this and he immediately brought up the "trade deal". However, Trump wasn't being weak, he too was now being coy. We know this was a biological weapon. The food market story is bullshit. Xi knows we know it. Trump also today announced he sent two battle groups of destroyers and other ships to sea several days

ago to fight drugs and rogue actors like Iran should they try anything.

I say he did this to show Xi he knows what has transpired (we have the greatest intelligence assets) and that they (the Chinese) should rethink further action. Politics is premier. We cannot overtly attack China for what they have done as we would also suffer greatly. We all know this. But China has temporarily achieved its goal. America was literally consumed by Trumps phony impeachment brought by the ultra left democrats (supported by democrat rank and file and one Republican Mitt Romney) and Xi Jinping saw an opening. He took it. Xi did what Trump usually does...he walked onto the world stage and threw a grenade into the "room" and left. It exploded in the form of this worldwide pandemic. It brought the USA and the rest of the world to its knees and leveled the economic playing field.

Our economy is now near depression. Xi didn't fire one bullet. Trump needed to up his game of chess and putting our Naval ships to sea was his next move. He said he is a "war" President. He is. But now on not one but two fronts. One front is the virus and the other front is the Chinese. While the Saudi's and Russians are screwing with oil prices they aren't overtly doing what this pandemic is doing. The drug smuggling story for dispatching the Naval Force is bullshit and the world knows it. I am of the opinion Trump can indeed bring us back from this catastrophe albeit with a changed playing field.

But Trump is a genius in chess and financial matters. He's become a champ at international politics too. I am sure Trump can once again lead the economy to even stronger strength and greatness than it was . He can do it quickly I'm

sure of it. He has proved it. Xi Jinping needs to be sent a message loud and clear. NEVER AGAIN. We need to bring all of our critical manufacturing back from China beginning with our medicines they were recently threatening to withhold. We can do it immediately. Again, another reason for Trump putting to sea such a sizable Naval Force. Sending a clear message. We all must ride out the next few weeks Then we and the world pick up the pieces and move on.

The democrats who have given Xi this opening wrapped in a bow must pay a heavy price in November as they (the democrats) truly have cost and continue to cost America precious lives by the phony scandals. Nancy Pelosi continues to help the Chinese by her daily shameless attacks upon the President and meddling in stimulus packages as she did this last weekend.

Yesterday's statements she made were truly appalling and the lowest of low. I didn't think she could go any lower. What a disgrace she is to our nation. But, Pelosi aside, make no mistake, China must and will be taught a lesson the likes they have never seen before and Trump is the man to pull the trigger.

We the people must teach the democrats the same lesson at the polls. They (the radical wing of the party) are the enemy of a free America. I am certain of it. The entire democrat party of our forefathers is dead. Remember people, Trump indeed tried to warn us all of the Conavirus in his State of the Union Speech. He spoke of it. He said he was on top of it.

After he spoke , Nancy Pelosi ripped up the speech calling Trumps words "a manifesto of lies". She disgraced the country and all of our

fellow honored citizens present in the House Chamber. Well she now has American blood on her hands. She is very majorly responsible for these needless deaths as well as the Chinese. Her and Adam Schiff. The left and democrats laughed as she tore up his speech. Well, as they laughed the disease he just spoke of in that speech came to our shores. Republicans and Democrats alike are now dying. Your family members and mine.

Our grandparents and middle aged citizens alike. Bodies are being loaded in trucks with forklifts in Brooklyn outside of hospitals. No one is safe. Our liberty is for the most part suspended. As we bury our dead (without proper funerals) from this calamity let's drive the nails into the coffin of the Democrat party as well in November.

It's time people. Stand up for your rights and your country! Our Liberty and survival is at stake! I am praying for God's blessing on our nation. But, God also gave us the ability to think for ourselves and it's time we placed blame for all this death where it belongs: on the doorsteps of Nancy Pelosi, Adam Schiff and Xi directly.

## PRAYER POINTS

Acts King James Version (KJV)

Acts  
Chapter 4

1 And as they spake unto the people, the priests, and the captain of the temple, and the Sadducees, came upon them,

2 Being grieved that they taught the people, and preached through Jesus the resurrection from the dead.

3 And they laid hands on them, and put them in hold unto the next day: for it was now eventide.

4 Howbeit many of them which heard the word believed; and the number of the men was about five thousand.

5 And it came to pass on the morrow, that their rulers, and elders, and scribes,

6 And Annas the high priest, and Caiaphas, and John, and Alexander, and as many as were of the kindred of the high priest, were gathered together at Jerusalem.

7 And when they had set them in the midst, they asked, By what power, or by what name, have ye done this?

8 Then Peter, filled with the Holy Ghost, said unto them, Ye rulers of the people, and elders of Israel,

9 If we this day be examined of the good deed done to the impotent man, by what means he is made whole;

10 Be it known unto you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you whole.

11 This is the stone which was set at nought of you builders, which is become the head of the corner.

12 Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

13 Now when they saw the boldness of Peter and John, and perceived that they were unlearned and ignorant men, they marvelled; and they took knowledge of them,

that they had been with Jesus.

14 And beholding the man which was healed standing with them, they could say nothing against it.

15 But when they had commanded them to go aside out of the council, they conferred among themselves,

16 Saying, What shall we do to these men? for that indeed a notable miracle hath been done by them is manifest to all them that dwell in Jerusalem; and we cannot deny it.

17 But that it spread no further among the people, let us straitly threaten them, that they speak henceforth to no man in this name.

18 And they called them, and commanded them not to speak at all nor teach in the name of Jesus.

19 But Peter and John answered and said unto them, Whether it be right in the sight of God to hearken unto you more than unto God, judge ye.

Arise, O Lord; O God, lift up your hand... You note mischief... that you may take it into your hands." Psalm 10:12, 14

The hand refers to strength. So, "Break the arm of the wicked" (Psalm 10:15), means "Break their power." David asks God to use his divine power to break the power of the wicked.

The great gift of prayer is that we can ask God to intervene and give us relief, to hold it back more (Psalm 10:12). We can ask God to strengthen us to stand against the evil that we face

(Psalm 10:17). In the pride of his face the wicked does not seek him;  
all his thoughts are, "There is no God." Psalm 10:4

The Holy Spirit has given us a fascinating insight into the heart of a wicked person in this psalm. Three times we are told about how a wicked person actually thinks. The wicked person constantly tells himself or herself that there is no God. This is an active pattern of thought.
